

Parking Authority Risk and Insurance Programs

Parking authorities and businesses need specialized service — Your risk deserves a unique view. What are potential risks that should be not overlooked?

Hazards and dangers that are bespoke to you

- Collisions involving motor vehicle to motor vehicle or motor vehicle to pedestrian
- Collisions that may result from conditions of the parking lot and structure
- Theft, robbery and vandalism
- Cleanliness, signs, ingress/egress options, surface conditions, lighting strategy and wheel stops
- Weather conditions

Key coverages for these risks are critical to protecting your budget resiliency.

About WTW

At WTW (NASDAQ: WTW), we provide data-driven, insight-led solutions in the areas of people, risk and capital. Leveraging the global view and local expertise of our colleagues serving 140 countries and markets, we help you sharpen your strategy, enhance organizational resilience, motivate your workforce and maximize performance. Working shoulder to shoulder with you, we uncover opportunities for sustainable success — and provide perspective that moves you. Learn more at [wtwco.com](https://www.wtwco.com).

Benefits of exploring a relationship through WTW

- We start renewals early and have the market clout to produce the optimal results that fits your budget.
- Not every parking authority and business are the same. Whether you are mid-sized, large and complex or more regionally located, we have the right markets that give you the choices needed for coverage and protection.
- Administration of insurance programs can feel burdensome to clients and our technology and systems alleviate much of this stress.
