Access to Risk Intelligence application is through <u>OnePlace</u>. Click the link and follow the instructions below:

STEP 1: ACCESSING ONEPLACE

If your company uses Microsoft Work Accounts, we strongly recommend you sign in with your Microsoft username & password

If you don't have access to Microsoft Work Accounts, you can click here to create a username and password.

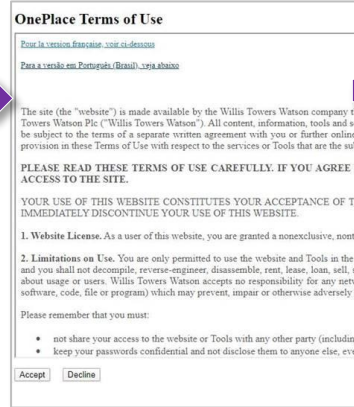

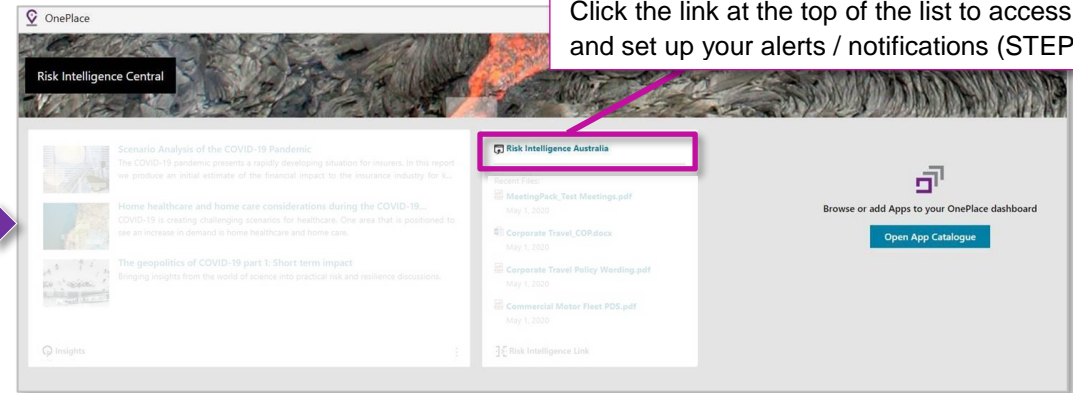

Once you've signed up, you will be sent a verification code to your email or via sms to confirm it's you.

The system will remember you for 14 days before you'll need to re-submit a new code.

If you chose the option of email and password, you will have this additional step to complete

When you log in with your email, you'll be asked to create a Password

OnePlace Terms of Use
